

J B M F Monument Foundation

J B M F . U S

THIS IS BREAKING NEWS...

JBMF, Inc. selected to "LEAD" national monument project for the nation's military working dogs and handlers.

Washington DC, October 28, 2009 – President Barack Obama signed into law, H.R. 2647 – National Defense Authorization Act for Fiscal Year 2010, establishing JBMF, Inc. as the principle authority to build and maintain a national monument to honor the United States Armed Forces Working Dog Teams. H.R. 2647 amends H.R. 4986-561, Section 2877 of the National Defense Authorization Act for Fiscal Year 2008.

America's military working dog teams have saved countless thousands of lives since World War I and continue to save lives today in Iraq and Afghanistan, and other parts of the world.

JBMF, Inc. is eager to work directly with the legislative sponsor, Congressman Water B. Jones (NC-3), and the Office of the Secretary of Defense (Pentagon) to process the monument's architectural design and acquire a suitable site within the Washington DC metro area.

The congressional legislation stipulates that the monument must be paid for by public donations and grants. Please help us raise the estimated \$850,000.00 needed to build and maintain this long overdue monument to the heroic military servicemen and servicewomen (dog handlers) and their incredible military working dogs. JBMF, Inc. is a 501c3 tax exempt charity and all donations are tax deductible.

The goal is to dedicate the monument on Veteran's Day 2011. Please help make this dream come true with your charitable donation.

Thanks!

The JBMF Team
